Distressed & Abandoned Property Registration

When should a property be registered?

Registration is required if a property located within the City of Colton is in default or foreclosure, or is "bank owned", and becomes vacant or shows signs of vacancy. The beneficiary and trustee under a deed of trust shall perform an inspection of the property prior to recording a Notice of Default. Inspections must be performed monthly until either default/foreclosure is remedied or the property becomes vacant or shows signs of vacancy. Once a property becomes vacant or shows signs of vacancy, the trustee is responsible for maintenance and to register the property with the city. Please refer to Colton Municipal Code section 8.05 for additional requirements and details.

How much are the Fees?

Registration is required annually and runs with the calendar year and is not pro-rated. Initial registration fees are \$150 per property. Annual registration renewal fees of \$75 per property are due January 1 of each year.

How to register an Abandoned Properties

Verify the property is located within the City of Colton. Determining jurisdiction is the responsibility of the trustee or beneficiary. Refunds will not be made for incorrect filings. If you are uncertain the property is within City of Colton jurisdiction, please contact our office to verify the address. Complete the property registration form along with your designation of a local property maintenance contact person and return to our office along with the payment of fees. If you have multiple properties to register in our city, please contact us at register@ci.colton.ca.us and we will send to you an electronic form to register multiple properties. Registration is not complete until payment is received.
