DUI/Driver's License Checkpoint Planned for December 26th, 2020

Colton, Calif. – Colton Police Department will be conducting a DUI/Driver's License Checkpoint on December 26th, 2020 at an undisclosed location within the city limits between the hours of 6:00 p.m. to 3:30 a.m.

DUI Checkpoints like this one are placed in locations based on collision statistics and frequency of DUI arrests. Officers will be looking for signs of alcohol and/or drug impairment, with officers checking drivers for proper licensing.

Colton Police Department reminds drivers that "DUI Doesn't Just Mean Booze." If you take prescription drugs, particularly those with a driving or operating machinery warning on the label, you might be impaired enough to get a DUI. Marijuana can also be impairing, especially in combination with alcohol or other drugs, and can result in a DUI.

In 2019, 1,095 people were killed in alcohol-involved crashes on California roads. Last year Colton Police Department investigated 48 DUI collisions which have claimed 3 lives.

Colton Police Department offers these reminders to ensure you have a safe night of fun that doesn't involve a DUI:

- Always use a designated sober driver – a friend who is not drinking, ride-share, cab or public transportation – to get home.
- See someone who is clearly impaired try and drive? Take the keys and help them make other arrangements to find a sober way home.
- Report drunk drivers – Call 911.
- Hosting a party? Offer nonalcoholic drinks. Monitor who are drinking and how they are getting home.

Colton Police Department

650 North La Cadena Drive, Colton, California 92324

Getting home safely is cheap, but getting a DUI is not! Drivers caught driving impaired and charged with DUI can expect the impact of a DUI arrest to be upwards of \$13,500. This includes fines, fees, DUI classes, license suspension and other expenses not to mention possible jail time.

Funding for this checkpoint is provided to Colton Police Department by a grant from the California Office of Traffic Safety, through the National Highway Traffic Safety Administration.
